Join the Mob families in this evening of love, laughter and murderous mayhem. Dress up in your mafia best and we'll run a costume parade. Our charming Maria and Luigi Fettuccini host your evening from drinks to desert. They start by giving everyone their new Mob names - Placebo Domingo, Teflon Don, Costa Lotta are just a sampling.

Then the announcement that Maria is engaged to a lucky fella from the guests. What a catch!! We'll make sure the new fiancé has the time of his life, as short as it might be.

Once dinner is over, Maria and the new fiancé get ready for the traditional marriage dance. Tragedy strikes and we need another fiancé! We have a Blind Match game with 3 new bachelors and the winner becomes the lucky guy! We sing an Italian song and have a Snowball dance to get everyone up celebrating on the dance floor.

Murder on the Love Boat

Guests are welcomed aboard by Captain Stupid and the Entertainment Officer. It's exciting and new as the Love Boat sets a course for a new adventure...and murder! One of the guests becomes Roger, the Cabin Boy, some guests are First Class, some are Steerage, the Love Boat promises something for everyone. Mysterious happenings are afoot, or is that afloat?

Then our merry band host a jolly fun Christmas competition called,

"Decorate Your Workmate as a Christmas Tree."

We have a Christmas Tree Parade and the most glorious one is crowned.

Once everyone's had their Christmas pudding there's an hilarious improvised comedy show, like TV's, "Whose Line is it Anyway". Guaranteed to have your guests shaking with mirth and merriment. We'll incorporate information about your staff and company and even bring some of your live wires onstage. Get the mistletoe out, it's time to celebrate. This premium show includes 60 wrapped gifts and Christmas tree kits, which incurs an additional \$400 plus GST cost.

The guests receive an invitation assigning them a character - dress up or come in your character's color. It's a jovial, celebratory dinner but when the guests become trapped on the Island and the murders start, they begin their own investigation. This show is a combination of scripted scenes and "fly by the seat of your pants" improvisation. It promises a great night of laughs.
